

ATU Theatre Program Audition Announcement

Auditions will be held Tuesday, Aug. 25, at 7:30 p.m., and Wednesday, Aug. 26 at 6:30 p.m. At the auditions you will be supplied with all you need---including audition forms and text samples. We will be adapting our own scrip, so your best bet to prepare is to find and read a synopsis of The Bacchae. You only need to attend one audition session---not both.

Auditions will be held on WebEx Teams, which is different from WebEx Meetings. To join the audition team, go to the following site:

<https://eurl.io/#nw-4NHUEI>

You may join the Team at any point in advance of or at the time of the audition. Just be sure that you report to the Bacchae Audition Team on WebEx Teams at the appropriate time so that you can attend the auditions.

For more information about this meeting, please contact Dr. David Eshelman at:

Your WebEx account is paid for by ATU, so login with your ATU email address and password rather than clicking "Start for Free." You may need to install the WebEx Teams app, which can be downloaded here: <https://www.webex.com/downloads.html>

Instructions on how to get started with WebEx Meeting and WebEx Teams can be found on the Campus OIS website at:
